(0.09 seconds)**[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)**[APPLICATION] [Method, apparatus, and program for adaptive control of](#)****[application power](#) ...**

US Pat. 10715945 - Filed Nov 18, 2003 - International Business Machines Corporation
[0030] For example, **data processing** system 200 may be a personal digital assistant
... [0035] **Power-aware** monitor 310 may monitor **application** usage to build ...

[Power conservation by turning off power supply to unallocated resources in ...](#)

US Pat. 7007183 - Filed Dec 9, 2002 - International Business Machines Corporation

For these reasons, the description below will illustrate **power aware** concepts

... 1 is a block diagram of selected elements of a **data processing** system 100 ...

[APPLICATION] [DETERMINISTIC POWER-AWARE WIRELESS NETWORK](#)

US Pat. 11381021 - Filed May 1, 2006 - Honeywell International Inc.

[0005] Sensors are generally equipped with **data processing** and ... The **application**
layer managed network provides energy **aware** priority and dynamic band ...

[Method and apparatus for controlling a data processing system during debug](#)

US Pat. 6895530 - Filed Jan 24, 2003 - Freescale Semiconductor, Inc.

Therefore, a need exists for a less obtrusive 25 **power-aware** debug system. ...

Data processing system 10 includes a processor 12, debug unit 14, **power** ...

[Power aware adaptive polling](#)

US Pat. 7093141 - Filed Dec 18, 2002 - International Business Machines Corporation

2 is a block diagram of a **data processing** system programmed to carry out network

... to those skilled in the art based upon the particular **application**. ...

[Adjusting software characteristics by user interface based upon battery ...](#)

US Pat. 5944829 - Filed Sep 30, 1996 - Intel Corporation

The APM **aware application** is configured to store **application** state information upon

... and integrity in respect of **data processing** operation of the laptop. ...

[Mouse pointing device having integrated touchpad](#)

US Pat. 5805144 - Filed Jul 18, 1996 - Dell USA, L.P.

The **data** are transmitted to general purpose **data processing** and storage ...

until notified by an "**aware**" **application** that enhanced information is needed, ...

[Method and apparatus for saving device state while a computer system is in ...](#)

US Pat. 6324651 - Filed Nov 12, 1998 - International Business Machines Corporation

However, **power manager** 102 is **aware** of the status of the system state and ...

1A illustrates a block diagram of a **data processing** system embodiment of the ...
